Dear Sergeant,

Steve Bosser went above and beyond to help me and my three little boys this evening.

I was in my van at 5pm on 71 north at the Morse Road exit, this evening, when my van died. I had stopped for construction and my van would not re-start. Since I had stopped I could not drift to the side of the road. To make matters worse I had no cell phone, my hazard lights would not turn on and I had my 7 year old son and my 5 year old twin boys and our dog Pep, in the van.

I had traffic to my right coming in to 71 from Morse Rd and to my left I-71 traffic. I was blocking an entire lane. My 7 year old was crying and I was trying to figure out what to do, that is when Steve Bosser parked his car in front of us. He was still in uniform.

2

but he had just got off work. He stopped traffic and pushed my van to the side of the road. He then got my family + my dog home safely.

It is amazing to me he did this off duty and was pleasant and professional the entire time.

My boys said he saved us! He did, I agree! I do not know what I would of done if he had not stopped. He was our Angel.

Please let him know how grateful I am. You have a wonderful person and a credit to your police force.

Thank you,

Lacie Mondak

Division Commander;

My Name is Richard Mason , and since December 07, I have been a Volunteer at PREMIER ACADEMY a Charter School run by the State of Ohio. The School is on the Church Grounds of St Philip Apostle Church and for many Years up to the end of the 05 School Year, was known as St Philip Apostle School run by the Dominican Sisters from St Marys Mother house on Airport drive, Ohio Dominic Colledge is on the same grounds as the Mother -House.

St Philips School closed at the end of the 05 School Year, And PREMIER Academy opened up at the start of the 06-07 School Year and I became a Volunteer December 07, working with 3 Teachers with different Subjects. and trying to get a Library put together for the School I am a Member of St Philip Church.

The Columbus Police help staff Premier Academy and I had the honor to meet them and they are Outstanding Superior Officers, that I hope will stay on for a long time. They do a Superior Job up and beyond the duty. And you know Kids Today are hard to work with. . But the Officers are experts. And Kind ,Friendly ,Courteous and kind.

The best there is to have at a School. and As I said they are Superior help

The Officers I have had the honor to meet and know are these

1, OFFICER ^{Steven # 2253} ~~ROSSER~~ I do not know his first name but he is the Commanding or LEAD OFFICER of the 3 Person Officer Team. There every day He does a Super job up and beyond the call of duty. He eventually to the Students in the Classroom sometimes in a most polite and courteous way. He is one of the may Officers you have but to me the best. Super great to see and know very helpful to everyone. He needs a letter of Comodation He is fantastic. I hope he continues to work with these kids because the world will be a better place to live in because of Of OFFICER RUSSER.

2. OFFICER CARRIE ARAUCO- Officer Arauco is not there all the time because

And I hope will have a great life because of her help. She is great with the Kids and Staff and Teachers. She is a superior officer.

3. OFFICER RICHARD ANDERSON OR RICKY ANDERSON I do not know what he likes to be called . But he is at the School when he can be and is a expert at what he does. works superior with the Staff and Students and Teachers and does his job in a professional way. I hope some of the Students become Officers because of him and the other two Superior Officers.

Officer Anderson is one Young Officer you want to keep. I would not trade him for anything. he is good. I hope he can continue to help at the School along with his other assignments.

So I wanted to send these Officers Names in they are Fantastic besides being outstanding.

I know Kids today, many don't care, and give up to easy, but you can't always blame them for that, because it is where they come from. It starts at home, and if that is not good, Problems come and I know Law enforcement does their best, Well it proves no one on this Earth is Perfect. But we should all try to do the best we can.

I will keep the Two Officers that were shot in my Prayers and hope they will be back at work real soon. I am very greatful they made it.

Well Chief, Thank you for letting 3 outstanding Superior Officers to help at Premier Academy. .I am a Volunteer at the School.
